

Sponsorship of The Spitfire Club's 5th Anniversary Galentine's Party

All event sponsors will enjoy:

- Your company name and logo included in all event programming, social media messaging, promotional materials, and media coverage
- Your company included on "Partners" page on thespitifireclub.org for one year
- A social media shout out one week after the event has ended
- Tickets to the event

In addition to logo and brand placement, we'd like to invite companies that pledge \$2,000+ to sponsor an experience that can allow for guests to interact with your brand while also having a lot of fun. We'll do all the planning and work (or you can co-curate with us)!

Experiences could include:

- A financial literacy activity station where kids can explore concepts like building a budget or developing a savings plan (paired with the book *Summer Jackson: Grown Up*)
- A Monopoly Junior table where participants can play a quick game of monopoly and learn about real estate (paired with the book *Mama's Home or Inside, Outside*)
- A STEM station for guests and their children to complete a fun science experiment or activity (there are many options for activities and for book pairing, here! Some book ideas include *Secret Engineer*, *Queen of Physics*, or *Grace Hopper: Queen of Computer Code*)
- An art project where participants paint their own matchbox car (paired with the book *Mi Papi Tiene una Moto*)

Other sponsorship opportunities include

- Cocktail sponsor
- Brunch sponsor
- Photo booth sponsor
- Book swap table sponsor
- Or something we haven't thought of yet!

Want to be our event's Presenting Sponsor? Let's talk!

Please email amanda@thespitifireclub.org to discuss sponsorship options.

We look forward to partnering with you!
